1. Bradco Kitchens & Baths created its Slide N Hide — an expandable kitchen island with a hidden cook top. The Silestone quartz counter slides over to reveal the induction cook top and a pop-up downdraft vent. It's a space-efficient solution for creating additional counter space. Bradco Kitchens & Baths. 323.937.6785, BradcoKitchen.com.

2. Made in Japan with premium porcelain, Cuyana espresso cups are a combination of lightness and minimalism with just a splash of color. Cuyana. Cuyana.com.

3. Infinity Drain offers the only Site Sizeable linear drain, ideal for shower stalls, pools surrounds, patios, balconies, driveways and storm drainage. Made in USA. Infinity Drain. 516.767.6786, Infinitydrain.com.

4. Slim & Sage's elegant European designs conceal the recommended proportions needed to build a sensible diet and reduce caloric intake by 59%: one-quarter of the 9-inch portioned plate is for lean protein, one-quarter for whole grains and one-half is for vegetables. Slim and Sage. Slimandsage.com.
